

Bunn Leisure will now open for Christmas and New Year

Award-winning holiday park Bunn Leisure has just been granted an extension to its licence allowing it to open to holidaymakers for Christmas and New Year celebrations for the first time.

The new Bunn Leisure season will now run for ten months from 1st March until early January, giving visitors and holiday home owners more than an extra two months' holiday fun every year.

The family-owned 300-acre holiday park on the sunny Selsey peninsula recently completed work on a £17 million sea defence scheme which created a brand new beach for golden seaside getaways. And its five-star customer service has won top prizes in Tourism South East's Beautiful South Awards for Excellence for four years running.

Now, as well as offering Great British summer holidays with a massive modern twist, Bunn Leisure will fill Christmas and New Year celebrations with laughter, loads to do and happy family memories.

Its £1 million-a-season entertainment line-up of world-class performers will be extended for the festive season to get the party season swinging. There's no better place to celebrate and see in the New Year with a choice of top name acts at the 2,000-capacity Embassy Club, tribute acts in the Viking Music and Dance Club, great family entertainment at the White Horse Club and the best children's favourites.

A range of free kids' clubs, organised activities for tots to teens, indoor amusement arcades and the Oasis leisure complex, with megasplash waterslides, a lazy river and fountain island complete the holiday experience. And for fitness breaks try the top-class football, basketball and tennis courts, Topdeck Gym, stunning seaside walks, cycle paths and watersports.

For a stress-free break, dining out over Christmas couldn't be easier with a range of restaurants and takeaways to choose from . . . so eat, drink and be merry!

Operations Director Mike Caven said: "This is great news that we can now offer guests and owners more than two extra months of fabulous holidays at Bunn Leisure every year – and a choice of a break in every season.

“We’ll provide top festive entertainment to celebrate Christmas in style in 2013 and host the best New Year party to see in 2014. This will be *the* place to be – and we’ll be celebrating along with guests securing the new licence.”

Bunn Leisure has four holiday villages to choose from with West Sands at the heart of the action, the White Horse Park for families with young children who want to stay quieter, top-of-the-range Green Lawns with more space to unwind and Warner Farm, which has 250 pitches for touring caravans, motor homes and tents. There is also a choice of luxury holiday cottages which sleep between six and 12 people – pick one with unrivalled views of the sea. The Bunni Express Land train is an easy way to get around the park.

When it’s time to explore, there’s plenty to keep you busy with the South Downs National Park on your doorstep, perfect places to see and terrific things to do. Nautical Portsmouth is less than half an hour away, home to Spinnaker Tower, the Historic Dockyard, Blue Reef Aquarium and Gunwharf Quays for retail therapy with a view. Goodwood is great if you fancy a flutter and Chichester is a cultural must. Cosmopolitan Brighton is just an hour away.

Family breaks for four start from as little as £99 and camping starts from £22.50 and all the entertainment is free.
