Join the beach clean at Bunn Leisure

Leading family-run holiday park Bunn Leisure is inviting volunteers to join in some good clean fun as it sets to work cleaning up its mile-long stretch of private beach.

The management team at the award-winning holiday village complex in West Sussex holds a beach clean every year and is urging people to join staff and owners for this year's event on Saturday, July 14.

Managing director John Bunn said: "We're very proud of our beautiful beach.

"Our annual beach clean is a fun way to help protect our stunning coastline, and also show our support for the global fight against plastic pollution in our oceans."

The beach clean will be supported by Barefoot Wine & Bubbly, which has been running its Barefoot Wine Beach Rescue Project for the last 12 years.

The project forms part of the Barefoot brand's Leave Only Footprints environment initiative, which works in partnership with Surfers Against Sewage to protect the UK's oceans, beaches and wildlife.

Local communities are invited to come together to collect litter and help keep beaches barefoot friendly.

Bunn Leisure will provide all clean-up equipment for the beach clean, which runs from 10.30 am – noon. Volunteers should meet staff and owners outside the Waterfront Complex at West Sands, or inside at the Solent View if it's raining.

There will be fun giveaways and prizes throughout the event.
