Off-peak breaks designed for under-fives at award-winning Bunn Leisure

Parents of pre-school children can make the most of the off-peak season by enjoying a break that's much quieter than the usual summer holiday - but every bit as fun and action-packed!

With flight and holiday prices shooting up in peak season, the option to get away outside of the school holiday rush is a real bonus – and award-winning holiday park Bunn Leisure on the beautiful south coast is offering an off-peak Totally Tots package this June and September from just £31* per person for a four-night break.

With character dining experiences, an interactive soft play area and bundles of other tailor-made kids' club delights, tots have the run of the West Sussex holiday park throughout the term-time hush.

The Totally Tots package includes a free travel cot set up in your holiday home and a host of fun, free family entertainment.

Parents and toddlers can splash around at Bunn Leisure's Oasis Leisure complex, with Aqua Tots mornings that include water floats and inflatable toys.

There's a Tots Soccer School to keep sporty little ones active, and mini baking classes with Betsy Bunni, one of Bunn Leisure's loveable mascot characters.

And as an amazing extra bonus, under-5s can eat for free*.

Hop on board the colourful Bunni Express land train and take a tour around the park, stopping off at West Sands Fun Fair to jump on the trampolines and mini diggers on selected days and times.

Bunn Leisure also has its own beautiful mile-long beach, and exclusive vouchers for nearby attractions and amusements, such as Marwell Zoo, Fishers Farm and The Blue Reef Aquarium, come free in all welcome packs.

With four villages and a wide range of accommodation to choose from, Bunn Leisure has everything you need for a wonderful off-peak Totally Tots break – to book, visit <http://www.bunnleisure.co.uk/tots> or call 01243 606080 for more information.
