## Pack up a picnic at Bunn Leisure

Daisy-strewn grass, blue skies, a hamper of delicious food and drink, and a fun game of rounders – what could be better on a lazy summer’s afternoon than a picnic with the family?

Sitting on the doorstep of some of the most beautiful coast and countryside in the UK, and with its own mile-long stretch of private beach, Bunn Leisure is the ideal place to relax with a picnic.

A warm June day is perfect for a picnic and, from its beautiful beach to tranquil green spaces, the 300-acre Bunn Leisure holiday park on the glorious coast at Selsey offers plenty of perfect spots for you to unfurl your picnic blanket.

Whether you make your own, or pick up a tasty takeaway treat, a picnic is never better than when it comes with an ocean view.

Gaze out over the beautiful Solent as you tuck into delicious fish and chips from The Real Fish & Chip Company at West Sands, or watch the kids play rounders on the shore as you enjoy a freshly-made sandwich from one of our restaurants.

The holiday park is next to the peaceful nature reserve at [Pagham Harbour](#), where picnickers can indulge in a spot of bird watching, and the RSPB’s Medmerry Reserve has plenty of spots on the beach and the new floodbanks to enjoy a picnic – relax on one of the specially-created viewing mounds for far-reaching views and to watch the wildlife all around you.

The beautiful [South Downs National Park](#) is also right on the doorstep – perfect for post-lunch walk through glorious countryside.

Bunn Leisure is offering early summer breaks throughout June from just £189 for up to six people staying in a standard caravan.

With an impressive free entertainment line-up and a wide range of accommodation at its three holiday villages and coastal touring park, a break at Bunn Leisure offers everything you need for an early summer break – just don’t forget to bring that picnic basket!
