## The Three Degrees at Bunn Leisure

Temperatures are set to rise when The Three Degrees return to award-winning holiday park Bunn Leisure this October.

The famous American divas topped the UK charts for a fortnight in 1974 with their most famous song When Will I See You Again – the first all-girl group to do since The Supremes in the 1960s.

Known for their soulful voices, stunning gowns and spectacular stage shows, The Three Degrees have been touring for more than 40 years, making them the longest-running female vocal group in history.

A great deal of attention has been given to the fact that Prince Charles publicly acclaimed The Three Degrees as his favourite group....Charlie's Angels, they were tagged and subsequently were invited guests at the wedding reception of Princess Dianna and Prince Charles. Their line-up consists of Helen Scott, Valerie Holiday and Freddie Pool who will take to the stage at the Selsey holiday park's 2,500-capacity Embassy club on October 13.

Their spectacular show will include crowd-pleasers like Dirty Old Man, Ain't No Stopping Us Now, Shake Your Groove Thing and When Will I See You Again.

Adrian Douthwaite, head of entertainment, said: "We are delighted to be welcoming such an iconic group to the holiday park.

"The Three Degrees have always been a treat to watch as well as listen to, and with their impressive collection of famous hits, we are sure this show will be a delight for everyone."

The Three Degrees are just one of the acts in the £1.5million entertainment line-up for 2018 at Bunn Leisure, which is free to all guests.
